He stated that if anyone wished to be notified of Council's decision that they should sign-in and provide their name and mailing or email address for notification purposes.

He outlined the process to be followed for the Meeting and noted that in order to appeal any decision of Council to the Ontario Municipal Board, the appellant must have outlined comments or concerns at the public meeting or submitted comments and concerns to Council in writing.

The Clerk then outlined how Notice was given for the Public Meeting and she indicated that as of 4:30 p.m. on June 24<sup>th</sup>, 2014 she received one comment from the Ministry of Transportation indicating that they had no object to the application.

She then outlined that the application, if approved, would rezone three of the recently created lots located at 345 Long Lake Road shown as Lots 1, 2 and 4, from the Rural Zone to the Rural Residential Zone; and the remaining lot shown as Lot 3 from the Rural Zone to the Rural Residential Exception Zone to recognize the existing garage on the lot.

Mayor Dunn then asked that the applicant and/or their representative identify themselves and state their names and provide a brief presentation on the proposal. Larry Ross stood and advised that he is representing Mr. and Mrs. Frame. He outlined that the Zoning By-law is to comply with the conditions of the Plan of Subdivision.

Mayor Dunn then asked if there were any persons present who wished to provide verbal or written submissions with respect to the proposed zoning by-law amendment and if so, to please clearly state their name and address for the record. No one made comment.

Mayor Dunn then asked if there were any Members of Council that had a question on the proposed amendment. No Member had any questions or comments.
