

Perry Township Volunteer

Firefighter/Emergency Medical Responders

The Township of Perry has begun volunteer firefighter/emergency medical responder recruitment. We are looking for motivated and committed individuals who live within our community to strengthen their existing group of dedicated Volunteer Firefighters.

Do you have a desire to do something important for your community? Have you wondered what it would be like to be a volunteer firefighter? You will learn new skills, try new things and make an important contribution to the safety and well-being of your community.

What's involved in being a volunteer firefighter?

As a volunteer firefighter, you may be called upon at any time, twenty four (24) hours a day, (7) days a week in all weather conditions to respond to various emergency situations – like fire suppression, rescue operations and medical calls.

No experience necessary, all training will be provided.

For more information about becoming a Perry Township Volunteer Firefighter or Emergency Medical Responder, please contact:

Dan Marshall, Fire Chief
